Dear Anya –

The Marquette Neighborhood Association board voted to take a position on the issue of an egress from the Willy Street Co-op to Jenifer Street at our September 2009 meeting.

The board recognizes the importance of the Co-op to our neighborhood. Our discussion weighed the issue from the perspective of 3 of our committees: Traffic, Preservation & Development, and Values. Having weighed the perspectives from these committees, the board determined that we were against a permanent egress based on our current knowledge. We would reconsider at a future date should more information become available.

Troy Pickl

The board encourages the Co-op to come to us right away should the issue come up again.
